

LOU "COFFEE TABLES"

CHRISTOPHE DELCOURT DESIGN

Struttura: sagomata interna in MDF, rivestita in multistrati impiallacciato Larice spazzolato a poro aperto laccato nel colore Liquirizia oppure impiallacciato Larice spazzolato a poro aperto pretinto color Tortora.

Il tavolino girevole è provvisto di due vani contenitori rivestiti in metallo satinato Bronzo.

Movimento girevole a 360°.

Finiture piano:

- marmo Calacatta, spessore mm 20, sagomato e parzialmente incassato (5 mm a vista);

- vetro Nero in pasta, spessore mm 15, sagomato e parzialmente incassato (5 mm a vista).

Piedini regolabili in Hytrel® e scivolante protettivo in feltro.

COMODINO

Il comodino è dotato di due cassetti che scorrono su guide Blumotion con finitura interna in tinta con quella esterna. Apertura dei cassetti laterale.

Structure: contoured interior in MDF, open-pore brushed larch veneered plywood, lacquered in Licorice color or open-pore brushed larch veneer pre-finished in Dove Grey colour.

The swivel coffee table comes with two compartments sheathed in metal with Bronze satin finish.

Swivel movement 360°.

Top finishes:

- 20 mm Calacatta marble, contoured and partially recessed (extends 5 mm above the table top);

- Black pâte de verre, 15 mm, contoured and partially recessed (extends 5 mm above the table top).

Adjustable feet in Hytrel® and with protective felt glides.

NIGHTSTAND

The night stand has two drawers that glide on full-extension Blumotion guides; interior finish matches that on the outside. Drawers open from the side.

Struktur: Die innere, geformte Struktur aus MDF, überzogen mit Sperrholz, Furnier aus offenporig gebürsteter, lakritzefarbig lackierter Lärche oder mit Furnier aus Taubengrau offenporig gebürsteter vorgefärbter Lärche.

Der drehbare Beistelltisch verfügt über zwei Behälterfächer, die mit Bronzefarbig satiniertem Metall ausgelegt sind. Drehbewegung um 360°.

Ausführungen der Tischplatten:

- Calacatta Marmor, Dicke 20 mm, formgeschritten und teilweise eingelegt (5 mm Dicke sichtbar);

- Schwarze Glaspaste, Dicke 15 mm, vorgeformt und teilweise eingelegt (5 mm Dicke sichtbar).

Verstellbare Füßchen aus Hytrel® und Gleitschutz aus Filz.

NACHTTISCH

Der Nachttisch ist mit zwei Schubladen auf Schienen mit Gleitdämpfer versehen, internes und externes Finish gleich. Schubladenöffnung seitlich.

Structure : façonnée interne en MDF, recouverte de multiplis plaqué mélèze brossé à pores ouverts laqué couleur Réglisse ou plaqué mélèze brossé à pores ouverts pré-teint couleur Tourterelle.

La petite table pivotante est équipée de deux compartiments recouverts de métal satiné couleur Bronze.

Mouvement pivotant à 360°.

Finitions plateau :

- marbre Calacatta, épaisseur 20 mm, façonné et partiellement encastré (saillie 5 mm) ;

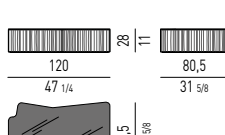

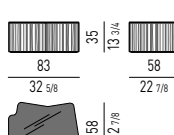

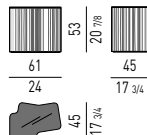

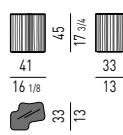

- pâte de verre Noire, épaisseur 15 mm, façonné et partiellement encastré (saillie 5 mm).

Pieds réglables en Hytrel® et patins en feutre.

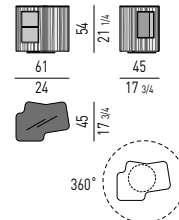

TABLE DE CHEVET

La table de chevet est équipée de deux tiroirs qui coulissent sur des glissières Blumotion, finition interne assortie à la finition externe. Ouverture latérale des tiroirs.
