TABLES AND SMALL TABLES | Indoor  
DRAGA & AUREL

Like winking mirrors of water, the Liquid coffee tables designed by Draga & Aurel catch the eye with precious reflections and unique colour shades. The minimalist contours of the coffee tables form a tubular matt black metal base that supports a rounded, bevelled top, hand-decorated with resins coated with shades and textures according to the artist's inspiration. The glossy lacquer coats the resin laid by hand on the surface, protecting the patterns and colour shades which, as in a painting, make each coffee table a unique and unrepeatable work of art.

**Plan / Surface:** smoothed MDF top, 1,9 cm, ¾" thickness, decorated by hand with resins smeared in nuance and texture in line with the artist's creativity.

**Feet / Legs:** base in matt black varnished metal.
